

February 2022

Dear Student,

**Your School is currently taking part in a Post-16 Pathways Survey** and we invite you to share your thoughts on your learning journey and aspirations for the future...

Learning Plus UK Data Ltd. has been asked by Liverpool City Council to complete a research report about Post-16 pathways in Liverpool and we would like you to be part of that by **sharing your views!**

The survey will ask you questions about what you'd like to do after Year 11, as you continue on your learning journey.

You will not be asked to give your name and we will not share your individual responses, only combine them with responses from other students at Liverpool schools.

Your participation is voluntary, but each contribution will enable us to build a bigger picture of the young people's viewpoint in Liverpool, as part of the research study.
